## **Wild Horse Pass Hotel & Casino Receives AAA Four Diamond Award**

**Chandler, AZ** (April 7, 2011) – Wild Horse Pass Hotel & Casino has been awarded the esteemed AAA Four Diamond Award. By meeting strict criteria measuring all aspects of service and amenities, Wild Horse Pass Hotel & Casino has proven to be among the top hotel properties in Arizona.

“We are honored to be awarded this prestigious designation,” said General Manager, Michael Olujic. “The team here at Wild Horse Pass Hotel & Casino has diligently worked hard since our opening to provide the best guest experience in the valley with the highest quality amenities. This recognition shows that tremendous effort has not gone unnoticed.”

The AAA Diamond Rating process is North America’s premier hotel rating program. The program provides one of the industry’s most reliable ratings to guide lodging decisions for vacationers and business travelers in the United States, Canada, Mexico and the Caribbean. This is measured by the degree of hospitality, service, amenities and attention to detail a property offers its guests. The system provides hotel guests with a quick and dependable rating on service levels at thousands of hotel properties both locally and internationally.

“Four Diamond establishments consistently deliver attentive service and notable offerings in high-quality, comfortable surroundings,” said Michael Petrone, AAA director of Tourism Information Development. “To achieve and maintain exceptional standards on a daily basis is a commendable achievement. AAA is pleased to recognize Wild Horse Pass Hotel & Casino as an outstanding member of the hospitality industry.”
