Wild Horse Pass Hotel & Casino Brings Baccarat to Arizona
(Baccarat machine is first in state and first to offer popular table game)

Chandler, AZ (March 21, 2013) – On Friday, March 22 Gila River Casinos' Wild Horse Pass Hotel & Casino introduces Arizona's first electronic Baccarat game. A popular game at many casinos, Baccarat has remained just out of reach for casino goers in Arizona until now. Wild Horse Pass Hotel & Casino's launch of Interblock's Baccarat gaming system will bring the table game to Arizona for the first time.

"We are happy to be the first casino in Arizona to be offering this new game," says John J. James, CEO of Gila River Casinos. "Our partnership with Interblock brings the best electronic Baccarat game in the industry to our guests and continues our effort to consistently offer an exceptional gaming experience in Arizona."

Interblock's Baccarat game offers multiple bets and opportunities to win. Baccarat is often linked to high rollers in Las Vegas, but the relatively simple rules make it very easy to learn and the action of the game make it very popular among those who have played.

"This is such a fantastic opportunity for both Interblock and Gila River," said Danny Ouellette, Director of Sales. "Our Baccarat product will be a perfect fit in one of their re-designed table gaming pits that will create an exciting new experience for players."
