Illness Forces October 27 Jerry Lee Lewis Concert to be Canceled

Chandler, AZ (October 11, 2012) – An unexpected illness forces Jerry Lee Lewis to cancel his concert previously scheduled for October 27. Wild Horse Pass Hotel & Casino currently has plans to reschedule the performance contingent on the availability of Jerry Lee Lewis. Although the scheduled Jerry Lee Lewis concert was cancelled due to unforeseen circumstances, Wild Horse Pass Hotel & Casino appreciates the patronage and support his fans displayed by purchasing tickets to his scheduled show.

In a statement released from the Jerry Lee Lewis management team, Jerry Lee Lewis sustained serious injuries in a fall earlier this year from which he had been fully recovered. Unfortunately, a new and unexpected complication related to these injuries has developed over the past few days for which he must receive immediate medical treatment. Mr. Lewis sincerely apologizes to all of his fans for the shows cancellation and looks forward to seeing them out on the road when he recovers from this temporary setback.

All guests who purchased tickets to the Jerry Lee Lewis concert previously scheduled for October 27 will receive a full refund for the purchase price of their ticket, or guests may elect to hold their ticket for the rescheduled Jerry Lee Lewis concert. To receive a refund for purchased show tickets, please contact the Wild Horse Pass Hotel & Casino box office at 1-800-WIN-GILA extension 7370.
